Message from Mrs Sly

The Year 6 children have just one SATs paper remaining, and they have worked incredibly hard throughout the week. They have approached each test with confidence and determination, and we are extremely proud to say that every child has given their very best effort.

We wish them the very best of luck for their final maths test tomorrow and hope they thoroughly enjoy their well-deserved treat on Friday as they celebrate the end of SATs week.

The rest of the school community has been wonderfully supportive, remaining as quiet as mice while the tests have taken place. It truly has been a whole-school team effort, and we would like to thank everyone, including our governors, Mr Jackson and Mrs Darroch, who visited the school as part of our monitoring process.

Last week, we also had a special celebration as Rosie and Max in Year 3 were baptised at Guardian Angels' Church – a truly lovely occasion. Year 3 had a little party in school on Thursday in celebrate.

Now, we are just keeping our fingers crossed for good weather on Friday!

Guardian Angels' does Eurovision

On Friday 15th May at 1.30pm, we will be hosting our Eurovision concert in the school playground and are really hoping the rain stays away. Each class will perform a song from past Eurovision Song Competitions and have been working hard in class to practise their performance. If the weather is kind, please bring a camping chair so you can sit back, relax and enjoy the outdoor concert. Everyone is very welcome to attend, and we look forward to seeing you there.

We will communicate as soon as we can as to whether the event can take place.

VE Celebrations

On Friday, we came together as a school to commemorate VE Day, beginning with a special assembly in the hall. Throughout the day, the children engaged in a range of activities designed to help them understand what happened at the end of the war, as well as why and how people celebrated this historic moment.

The celebrations continued at lunchtime, where the children particularly enjoyed having Union Jack face paintings and eating together surrounded by Union Jack bunting. It was a wonderful opportunity for everyone to reflect, learn and celebrate. We would like to thank Miss Davenport for organising such a meaningful and enjoyable day.

Year 3 Sacramental Programme

Our Year 3 children have already started preparing for the sacramental programme through their RE lessons in class. As part of this exciting journey, they will also take part in two retreat afternoons at the parish centre, joining together with the Year 3 children from Our Lady of Lourdes. The key dates can be found below. If you are able to support on one or both of the retreat afternoons, we would love to hear from you—please contact Mrs Dalton via Seesaw.

Dr Bike visiting school- free bike service

We are pleased to let you know that Dr Bike will be visiting school on **Friday 22nd May**.

Parents are encouraged to bring their child's bike to school on this day so it can be checked over by a qualified cycle mechanic. Minor repairs and safety checks will be carried out, making this the perfect opportunity to give bikes an MOT ready for the half-term break. There will be a designated area on the school field to drop off bikes. We kindly ask that all bikes are collected on the same day. Your child will bring home a leaflet containing further details this week.

Walking to School- Park and Stride Locations

At Guardian Angels', we encourage children and families to be active when travelling to school and we continue to use the WOW travel trackers in every class. We understand that for many families, travelling by car is necessary, but we wanted to gently remind you about the Park and Stride options available nearby.

Park and Stride allows you to park a short distance from school and enjoy a 5–10 minute walk the rest of the way. This can help reduce congestion around the school gates, make the area safer for everyone, support the environment, and give your family a positive and healthy start to the day.

The timings will be:

Nursery and Reception- 9.00am-9.45am

Years 1, 2 and 3- 10.00am-11.45am
