

In Year Primary School DIGITAL Transfer Form

Guidance Notes

If you wish to apply for a Bury Primary School, the application process is in two parts.

1. An Application Form which should be completed by the parent/carer; and
2. An Information Pack which should be completed by the head teacher of your child's current school (with the exception of those families moving from a foreign country).

Failure to ensure all sections of these forms are completed and all requested paperwork is provided, will result in the form being returned for completion which will delay the application.

The completed Application form and Information pack should be returned to the school you wish to apply for.

If your child has an Education, Health and Care Plan (EHCP), this application must be directed to:

SEN Team
3 Knowsley Place
Duke Street
Bury Council
BL9 0EJ

Or via email to senteam@bury.gov.uk

Things to consider

Transferring schools mid-year can often be disruptive and detrimental to a child's education and where possible we would recommend that your child remains at their current placement. Before taking the decision to transfer your child, please ensure you have done everything possible to try and resolve the situation; and considered the points below.

Behaviour Changing school can sometimes help to improve a pupil's behaviour but this is not always the case. There are many reasons for poor behaviour and it is important everybody works together in trying to address and resolve the difficulties. Consider how much support your child received at their present school and if moving might jeopardise that.

Bullying All schools have anti-bullying policies and can often resolve issues if given chance. Before making the decision to transfer your child, which can in itself be disruptive, consider if school have been given the opportunity to rectify the situation.

Disagreements If your disagreement is with someone within the school, please allow them the opportunity to put things right.

Uniform A change of school will mean a change of uniform for your child; there is no uniform grant to assist with costs available in Bury.

Travel Consider how your child will travel to their new school and the disruption to your schedules and additional cost this may cause.

Peer groups If your transfer of school is due to the negative impact from peers, you should consider that there are also negative implications to transferring schools. It is often better to work with the current school to address matters before moving a child away from an established friendship group. Schools have excellent tools to resolve broken friendships and we would advise this is considered in the first instance.
