Message from Mrs Sly

At the start of the week, we gathered to celebrate the Feast of the Baptism of the Lord. We thought about the bold statement God sent during His baptism and reflected upon how we can make a statement about our love for Jesus, through our words and actions. It has been lovely to see children putting this into practice in their classrooms and on the playground, showing kindness and empathy.

The children have made a great start to the term and it has been wonderful to see them so enthusiastic and engaged in their learning. Our EYFS children have been learning all about winter and focussing on penguins this week, producing some lovely paintings and writing about them; the children in KS1 have been busy reading their new books in English and working very hard in maths with place value and money; and our children in KS2 have been writing predictions in English, creating dances in PE and exploring in their new history topics. Please see your child's class Seesaw for photographs and further updates on their learning.

Spelling lists and homework grids were sent out last week so please do not hesitate to contact your child's class teacher if you have any questions about the home learning for this half term.

Extra-curricular Activities

Our Extra-Curricular clubs timetable started on Monday and will run through until Easter. A number of our clubs are already full; however, please contact the school office to find out what is still available or to put your child on the waiting list as sometimes we have children drop out - and we would hate for anyone to miss out on the opportunity.

Year 5 Viking Workshop

Tomorrow, our Year 5 children will be taking part in a very exciting VR workshop to enrich their history topic this term. A school money payment has been set up for parents and carers. We are asking for a small donation to contribute towards the cost of the workshop. Thank you for your support.

NSPCC Number Day

On Friday 6th February, we are asking children to come into school dressed as anything associated with maths and numbers as we are taking part in the NSPCC Number Day by 'dressing for digits' to raise money for Year 2's class charity. Children can be as creative as they like but to help parents, we will send some ideas nearer the time for inspiration.

Rock Steady Band Lessons

Our Rock Steady band lessons have been taking place in school since last half term and the children who take part, are formed into bands and doing such an amazing job at learning new songs. There are still places available for children to sing, play the keyboard, guitar and drums. Please follow the link below for more information and to sign your child up. We are very excited about the thought of having a school band and a termly concert!

1:1 Parent Drop In (12/02/26) Sign Up Information

North Bury CEPS Parent Drop-In

On Thursday 12th February, from 5:30pm - 6:30pm, we are hosting our first 1:1 online parent drop in.

Once you have expressed your interest using the link below, we will allocate 10 minute time slots which we will communicate with you via email.

Please then join the call at your allocated time. This ensures you will have a 1-2-1 slot to discuss privately with an Educational Psychologist and no other parents present.

Please confirm your interest in the parent drop in [here](#).
