Message from Mrs Sly

It has been a great start to the half term and we have enjoyed hearing about what the children got up to during the holidays. 'Break the uniform rules' day was a great success and we thank you all for your generous donations on the day. We managed to raise 271.32 for school funds which will go towards planning exciting things for children in school. Yesterday, we gathered together as a school to commemorate All Saints day and shared the message that we are all called to be holy by putting God first and we can turn to the saints to help us. We prayed a Litany of Saints together and thought about how we continue to follow our school mission statement.

Odd Socks Day!

Next week is Anti-Bullying Week in school so on Monday we will be celebrating Odd Socks Day in school. Our Pupil Voice will be leading an assembly in the morning and invite all children to wear odd socks as part of the uniform to show how unique they are and it is okay to be different.

Rock Steady Band Lessons

Children from Years 1-6 came home with a leaflet explaining how you can sign your child up to take part in a weekly in-school band lesson that celebrates fun, individually and creativity. We have had many children sign up already but there are still places available for children to sing, play the keyboard, guitar and drums. Please follow the link below for more information and to sign your child up. We are very excited about the thought of having a school band and a termly concert!

Mad Science After School Club

The Mad Science 6 week after school club started today and we still have some spaces available for children in Years 1-6. The club will take place from 3pm-4pm on a Wednesday and will involve hands-on science experiments with slime and glue, learning about space, light and what it's like to work in a lab. Please follow the link below for more information and to sign your child up.

Phonics Information Meetings

Mrs Scully led the first of our meetings today so thank you to all the parents that came along. The meetings are extremely useful for parents and focus on understanding the importance of phonics for early reading, how children learn phonics in school on our Read Write Inc. scheme and how you can help your child to read using their phonic knowledge. We hope that reception parents can join us on Wednesday 12th November at 8.30am.

Poppy Appeal

Year 6 will be selling poppies and other items leading up to Remembrance Day at break times, to raise money for the Royal British Legion. Poppies and zip tags will be priced at 50p each and the bands and bracelets will be priced at £1 each. We would like to thank you in advance for any donations made to the appeal. Please send in the correct change as we will be unable to give change or change notes.

Children in Need- Nursery and Reception's Class Charity

On Friday 14th November, our nursery and reception children are going to be raising money for Children in Need by running a cake sale from the playground from 2:55pm - 3:15pm for all families in school. They are going to be selling cakes and treats, not a set price, but through a donation to the charity. On the day, nursery and reception can wear yellow to show their support and all other classes can wear accessories along with any Pudsey accessories such as bows, ears and socks.
