

Year 6 – Learning Journey 1

We will be showcasing our work on the following dates:

Monday 13th October 2025

Monday 15th December 2025

Art and Design

Create a miniature art gallery which includes artwork created by William Turner.

RE

Look at the Parables Jesus taught. Can you create a Parable? Think about the message/ moral you are portraying.

Science

Make an information leaflet/ film/ video/ poster for the circulatory system.

Design and Technology

Research famous bridges around the world. What is it that makes them famous?

French

We will be learning about school life/people who help us. Using either topic, create a storyboard with speech bubbles that includes French phrases.

History

We will be looking at the impact of WW1 and WW2. Can you create a bank of vocabulary with definitions which will support you in class?

Computing

Look at Scratch games online. Investigate the sequence and variables used. Can you create a game using what you now know?

Music

Create a piece of music for a specific scene in a film. You can use an instrument that you play at home or a digital programme.

Geography

We will be investigating world trade. How has world trade changed over time? Create a poster to show these changes.

PE

Create a ball game and set of rules which includes attacking, defending, change of speed and changes of footwork.

Forest School

Take a nature walk, thinking about what surrounds you. Remember to use the skills you have learnt in Forest School.

Themed day

This term we will be marking Remembrance Day. In preparation for this, complete a piece of work of your choice. This could be artwork, a PowerPoint or article which shows your understanding.

Ensure you create a game card and check that the game is successful with a group.
