Year 2 – Learning Journey 2

We will be showcasing our work on the following dates:

Wednesday 11th February

Wednesday 1st April

Art and Design

Andy Warhol created art using repeating patterns. Look at is work and try and create your own piece inspired by him.
Draw, paint, print, sculpt - use whichever media you wish.

RE

Create your own Easter Garden to show your understanding of the Easter story.

Science

Research the work of one of the following scientists:
John McAdam / Charles Goodyear / John Boyd Dunlop
Create a fact file to present to the class.

Design and Technology

What different ways could you join two pieces of fabric?
You could sew, glue or staple. Have a go at it yourself. Which is the easiest?

Forest School

During Autumn, we found various minibeasts in our forset school area. Will the same minibeast be around over the next few months?
Keep a log of the different minibeast you can find in your garden over the next three months.

History

Queen Victoria had many children.
Research her family and create a family tree for her and Prince Albert.

Computing

Being able to use a keyboard is important.

Complete the 2Dos at www.purplemash.com, to help you become better at this.
(Password found in reading record)

Music

Find some traditional African music to listen to on YouTube.
Can you hear the beat of the drums?
Make your own African drum and play along to the rhythm of the beat.

Geography

Kenya is found in the continent of Africa, next to the Indian Ocean.
What other facts can you find out about Kenya?

PE

Keep listening to the traditional African music you found.
Create your own dance and send a video of your performance into school!

French

Follow the link below to find a range of stories and songs set by Mme Birtwistle.
